LICENSE PLATE RATES INSTRUCTION SHEET

I. REGISTRATION PERIODS

The 12 month registration period begins the first day of the owner's birthmonth (Exceptions: Company owned vehicles use the month of June; truck-tractors, semi-trailers and buses use a December birthmonth; mobile homes use a January birthmonth). If the rate chart indicates annual, half year and quarter year fee calculations, you must determine the number of month's tax required. To determine the number of months of tax required, start with the month the vehicle was purchased or subject to registration and count through the month prior to the owner's birthmonth. Three months or less requires the quarter year rate, four to six months requires the half year rate, and over six requires the full year rate. (Example: You purchased your vehicle in November and your birthmonth is June, count a total of seven months (November through May) and the full year rate would be required.)

II. TRUCKS AND TRAILERS - WEIGHTS

For trucks weighing 5,000 lbs. or less, if the shipping weight is not available on the manufacturer's certificate of origin a certified weight affidavit from a weighing station is required. The gross vehicle weight (GVW) as declared by the owner, is required on all truck-tractors and trucks weighing over 5000 pounds.

For heavy trucks with net weight of 5001-7999 lbs., GVW is calculated by adding the net weight of the truck and the truck's load. For heavy trucks with net weight of 8000 lbs. up and truck-tractors, the GVW is calculated by adding the net weight of the truck or truck-tractor and it's load to the net weight of the trailer and it's load.

III. INITIAL REGISTRATION FEE

Imposed upon the initial application for registration of private automobiles, trucks 5,000 lbs. or less and motor homes.

The \$100.00 Initial Registration Fee does not apply to:

1. Any registration renewal transaction.
2. A transfer or exchange of a registration license plate for a motor vehicle that has been disposed of to a newly acquired motor vehicle in compliance with Sections 320.0609(2) or (5), Florida Statutes.
3. Any initial registration that occurs when a transfer of title is processed between co-owners as provided by Section 319.22, Florida Statutes, or when a transfer of ownership by operation of law occurs as provided by Section 319.28, Florida Statutes. Additionally, the fee does not apply when the transfer of title occurs from a person to a member of that person's immediate family. Section 657.002, Florida Statutes, defines immediate family as parents, children, spouse, or surviving spouse of the member, or any other relative by blood, marriage, or adoption residing in the same household with the registered owner.
4. The registration of a motor vehicle owned by and operated exclusively for the personal use of:
 - a) Any member of the United States Armed Forces, or his/her spouse or dependent child, who is not a resident of this state and who is stationed in this state while in compliance with military orders.
 - b) Any former member of the United States Armed Forces, or his/her spouse or dependent child, who purchased such motor vehicle while stationed outside of Florida, who has separated from the Armed forces and was not dishonorably discharged or discharged for bad conduct, who was a resident of this state at the time of enlistment and at the time of discharge, and who applies for registration of such motor vehicle within 6 months after discharge.
 - c) Any member of the United States Armed Forces, or his/her spouse or dependent child, who was a resident of this state at the time of enlistment, who purchased such motor vehicle while stationed outside of Florida, and who is now reassigned by military order to this state.
 - d) Any spouse or dependent child of a member of the United States Armed forces who loses his life while on active duty or who is listed by the Armed Forces as "missing-in-action." Such spouse or child must be a resident of this state and the serviceman must have been a resident of this state at the time of enlistment. Registration of such motor vehicle must occur within 1 year of the notification of the serviceman's death or of his status as "missing-in-action."
 - e) Any member of the United States Armed Forces, or his/her spouse or dependent child, who was a resident of this state at the time of enlistment, who purchased a motor vehicle while stationed outside of Florida, and who continues to be stationed outside of Florida.
5. The registration of any motor vehicle owned or exclusively operated by the state or by any county, municipality or other governmental entity.
6. The registration of a truck defined as a "goat", or any other vehicle when used in the field by a farmer or in the woods for the purpose of harvesting a crop, including naval stores, during such harvesting operations, and which is not principally operated upon the roads of this state. The "goats" are registered under "class code 93".
7. The registration of an automobile or truck defined as "ancient" (the vehicle was manufactured in 1945 or earlier) or "antique" (the vehicle was manufactured beginning 1946 and of the age of 30 years or more after the date of manufacture).
8. The initial registration fee shall not apply to any vehicle, upon submission of an affidavit, indicating that the vehicle is not operational, or is in storage, or will not be operated on the streets and highways of this state.

STATEMENT OF TRANSACTIONS AND REVENUE

FOOTNOTES:

- (1) Beginning in Fiscal Year 1974-75 and subsequent years, Temporary Tags, In-transit Tags and Transfers are included in transaction counts and revenue.
- (2) The decrease in transactions and revenue from 1976-77 to 1977-78 is due to implementation of the staggered registration system during Fiscal Year 1976-77. The implementation in 1976-77 caused a non-recurring, inflated transaction count and revenue for Fiscal Year 1976-77.
- (3) Rate increase effective May 1, 1983 for passenger automobiles, light trucks and truck-tractors.
- (4) Delinquent fees were initiated in October 1985 and \$3.00 license plate replacement fee in February 1986.
- (5) Effective July 1, 1990, license plate replacement fee was increased from \$3.00 to \$10.00.
Effective July 1, 1990, a change was made in collecting the \$10.00 license plate replacement fee.
Effective July 1, 1990, the \$10.00 fee has been collected every five years when a new license plate was issued.
Effective July 1, 1991, a \$2.00 fee has been collected every year and a new license plate issued every five years.
